**Argentine International Submariners Association**

Dear Angel,

On behalf of the *Arizona Silent Service Memorial (ASSM)* project I wish to extend our most sincere sympathy and condolences to you, the crew of the ARA San Juan, their families, the Argentine Navy, and all Argentinians for your loss. We, in the submarine community, have a very special international bond and many of us know and have felt the same pain and heartache you are now experiencing. I'm sure our brothers and sisters in the ISA would all agree that your loss, is our loss. God bless our brothers and sister who are now on eternal patrol.

We are in the process of creating submarine memorial designated the *Arizona Silent Service Memorial (ASSM)*. This will be a fitting tribute to honor all submariners. It is to be erected in front of the State of Arizona Capitol building in Phoenix, Arizona U.S.A.

There will be an International Memorial Paver Section at the memorial site and we will install a Memorial Paver in this section to honor the memory of the crew of the ARA San Juan. This will be an 8" x 8" Memorial Brick which contains a six-line inscription. Below is a rendering of the ARA San Juan Memorial Paver we will install:

**ARGENTINE SUBMARINE**  
**A.R.A. SAN JUAN S-42**  
**LOST ON 15 NOV 2017**  
**44 SHIPMATES SENT**  
**ON ETERNAL PATROL**  
**R.I.P. SHIPMATES**

As a token of our international brotherhood, my desire is to have something that appropriately honors the memory of our lost shipmates. If you wish to make any changes, please let me know. If no changes are requested, I will proceed with this Memorial Paver.

Thank you,

*Tim Moore*, Chairman
