Please bring a side dish or dessert to share.**

**Kids (under 16) can help prepare home-made, hand cranked ice cream.  
Kids (of all ages) can help eat it!!!**

### **Submarine Tours:**

Submarine tours are planned for 1000 and 1300: to allow proper planning, please submit your tour request no later than Friday, June 29 by email to [sdsubvets@gmail.com](mailto:sdsubvets@gmail.com). Tour slots usually fill up early so don't wait until the last minute!

- Provide the full name of each tour participant and which tour (morning or afternoon) is preferred. We will try to honor your early/late request; you will be notified if a time slot change is required.
- All tour participants over the age of 18 must carry a government-issued ID (e.g. Driver's License).
- Minimum age for tour participants is eight years old.
- DO NOT bring cameras, cell phones, smart watches, tablets, etc. with you on the tour.
- You will need to climb vertical ladders; jeans or slacks suggested. You must wear closed-toe shoes.
- As always, boat tours are dependent on submarine availability and are subject to last minute schedule changes or cancellation.

**Mark your calendars and join your Shipmates at Smuggler's Cove on July 14<sup>th</sup>!!!**

**For directions and base access information, see next page.**

If you have any questions, contact Warren at [sdsubvets@gmail.com](mailto:sdsubvets@gmail.com) or (619) 971-8292.

## **Annual Submarine Veterans Family Picnic - 14 July 2018 at Smuggler's Cove, Point Loma Naval Base**

### **Directions to the Base:**

Coming from the North on I-5: Take the Rosecrans St exit (Exit 20) from I-5 South.

Coming from the East on I-8: Take the Rosecrans St/I-5 South exit (Exit 2B), bear to the Left after exiting and continue onto Rosecrans.

Coming from the South on I-5: Take Pacific Highway exit (Exit 18A); stay on Pacific Highway to Barnett Ave (exits to the Left). Follow Barnett to the 4<sup>th</sup> light and turn Left on Rosecrans.

Follow Rosecrans Street past the old NTC (now Liberty Station), on through the Point Loma commercial area and into the residential section (the road will narrow to two lanes).

At the end of the residential area, you will see several large white fuel tanks to your right. The Main Gate is straight ahead just beyond the flashing yellow traffic light at **Strothe Road**.

**If you have routine base access (i.e. retired ID, active duty ID, CAC card)**, you may proceed to the Gate and on to Smuggler's Cove. However, it would be greatly appreciated if you would detour through the parking area at Strothe Road (see below) and escort any of your Shipmates who may be waiting in their vehicles for entry. Security will typically allow you to escort two vehicles to the picnic area on your ID card. You may escort up to 10 additional individuals in your vehicle so car pool whenever possible.

**If you do not have routine base access (i.e. a retired military ID card)**, you will need an escort.

- **At the flashing yellow traffic light, turn Left on Strothe Road and then make an immediate Right into the parking lot.**
- Look for an **American Flag** and a **SubVets Picnic Escort Rendezvous** sign in the parking lot. This is where your escort vehicle will meet with you. You should follow the escort vehicle to the Smuggler's Cove parking area. At least one escort vehicle will be active starting at ~0815.
- If an escort vehicle (they will be marked) does not pass through the rendezvous point within approximately ten minutes of your arrival, call **(619) 772-1697** and an escort will be dispatched to you.
- Following the picnic, you must directly exit the Base via the Main Gate.

**If you are not familiar with the Point Loma Base:**

- After the entering the Main Gate, follow Rosecrans until you reach the first stop sign (a four-way Stop). A Subway sandwich shop will be on your right.
- Proceed straight to a second stop sign. A Navy Exchange gas station will be to your right.
- Proceed straight another 50 feet and then turn left onto Kerrick Road. The Smuggler's Cove picnic area will be approximately 100 yards straight ahead.
