Subject: Wickenburg Parade Details for Feb. 15

Next Saturday is the annual Wickenburg "Gold Rush Days" parade. We will have the float and George Crider's flatbed trailer for plenty of seating. This is a rather small parade (length wise) but lots of fun with a very appreciative crowd. Check out the map, below, which should help get everyone there. Hats and vests, please.

Remember, we are **Division 3, Number 73 and Line-up location 5**. Sorry, but the exact side street we stage on is not legible in the information we received from the city.

Date: Saturday, February 15
Time: 8:30 a.m. (try it any later and roads may be closed and traffic a bear!)
