Subject: Jim Newman - Update

Jim Newman, has been moved to a rehab facility where they will provide intense therapy. This facility, and how to reach Jim, is:

Scottsdale Healthcare Rehabilitation Hospital
8850 East Pima Center Pkwy.
Scottsdale, AZ 85258
Room 125
Phone: (480) 800-1251

The place closes at 2000 and Jim has therapy from 1500 – 1630. His and dinner at 1800. The average stay at this hospital is 2 to 4 weeks. Then the patient goes to outpatient therapy. Jim has no paralysis, just limited control with his right hand and he has to walk with a walker. The stroke was very light and with all of his therapy he should make a full recovery.
