Subject: Status of Jim Denzien

Last night, Jim Denzien, Western District Commander and Perch Base shipmate, suffered what now appears to be a mild stroke. As of now (Tuesday, 5:05 p.m.) Jim is back home. His current lasting effect is a mild weakness on his right side. Therapy will begin tomorrow.

Jim can have visitors at his and Mary's house but anyone who wants to **must call first** at their home phone (623) 547-7945. This is an absolute must if you want to visit.

More updates as needed.
