Rear Admiral Craig Quigley

Rear Admiral Craig Quigley graduated from the U.S. Naval Academy as president of the Class of 1975. His first duty station was USS Ramsey (FFG-2), where he qualified as a Surface Warfare Officer. He later served aboard USS Thorn (DD-988) before accepting a lateral transfer to the Restricted Line as a Public Affairs Officer.

A career naval officer, Quigley served 27 years on active duty, achieving the rank of rear admiral and serving as Deputy Assistant Secretary of Defense (Public Affairs) at the Pentagon. He was at the Pentagon on 9/11 when the plane hit and will share details of that morning with us.

With gratitude, we honor the flag and remember those who served.
