Awards Banquet – Silent Auction

One of the activities at our Awards Banquet this year will be a silent auction with the proceeds going to the Perch Base Foundation.

If you're not familiar with a silent auction, the process is very easy. All items for sale will be laid out on tables where they may be viewed during our social hour. Next to each item is a bid sheet. If you wish an item, write your name and your bid on the special sheet next to the item. When the auction closes, the high bid for each item wins. Simple.

We are looking for nautical — especially submarine — items to auction. A good example would be the hull sections brought to the last meeting (wouldn't you love a piece of the Abraham Lincoln?)

Remember, since our proceeds are going to the "Perch Base Foundation" anything you donate could be tax deductible so give

Remember, anything you donate could be tax deductible so give freely.

Make sure you get your items to either Chuck Emmett or Jim Denzien in time for the auction.
