FLASH-01: 2013 Chairmen's Reports Supplemental.

Submitted by: Alfred H Singleman Jr on 8/19/2013

Shipmates,

I have posted on the USSVI web site a supplement to the Officers and Chairmen's Reports contained in the Annual Business Meeting Agenda package. It contains "Latecomer" reports that were received after the Agenda Package was published. Included in the supplement is a report from the disciplinary committee that was formed to investigate the Groton Base situation.

The document is at Documents, Minutes. The title of the document is: 2013 Chairmen's Reports Supplemental.
