Subject: Missing in America Project

Tomorrow, Oct. 9, the **Missing in America Project (MIAP)**, in partnership with the **National Memorial Cemetery of Arizona** and **Hansen Mortuary Chapel**, will conduct an **Inurnment with Honors Service** for six unclaimed military veterans. These veterans collectively served in the United States Army Air Forces, Marine Corps, Air Force and Army, during World War I, World War II and the Vietnam War.

The cremains of the veterans will receive a full escort, complete with flying flags, from **Hansen Mortuary Chapel** (8314 North 7th Street, Phoenix, AZ 85020) to the **National Memorial Cemetery of Arizona** (23029 North Cave Creek Road, Phoenix, AZ 85014), where full military honors will be rendered.

The inurnment service will take place at **10:00 AM**, at the **Assembly Area**, located adjacent to the large flagpole. The service will include a flyover of historic military aircraft by the Arizona Wing of the Commemorative Air Force (CAF). Parking, seating, media-staging, restroom accommodations and handicap accessibility will be available. Perch Base will participate in this ceremony.

These servicemen have up to now been forgotten by our country. Let's do what little we can to honor and remember them in this final act of respect.

Wear your vest, appropriate head gear and be there no later 9 a.m. for staging.
