Flash Traffic

Number: #6-08-2015 **Date:** 6/28/2015
Subject: Update on Shipmate Herb Coulter

There really is no change on Herb. His wife reports that he remains in ICU with no visitors allowed and doctors are keeping him sedated so he's not really awake. His course of treatment is not expected to change until his body begins to do more to heal itself.

A further **Flash Traffic** will not be issued unless his condition changes.
