Subject: Herb Coulter – Eternal Patrol

Herb has remained comatose since his cancer exploratory surgery. The doctors have given the family no chance of Herb recovering. So Herb's loved ones have made the painful decision to remove his life support tomorrow afternoon. The maneuvering watch has been set for his Eternal Patrol and this allows time for a final goodbye. Donna, Herb's wife, has set it with hospital staff to allow shipmates and friends as visitors this afternoon and up to noon tomorrow.

He is in:
