Subject: *Membership Drive 2018*

We are less than 15 days from the end of the year and my dink list is still in the double digits. I was not going to do this, but someone needs to let you know you are about to be removed from the USSVI roles. Since the meeting and some calls from Howard, some of you have responded with getting your dues paid, there is far too many left. If you do not want to continue with your membership, then step up and tell me. There is one member who has stepped up and offered to pay your dues for you. I told this anonymous member I would mention it and I did. Please help yourself and not let someone else do it for you.

Here is list of members who have not paid yet:
