Subject: 2020 Western Region Roundup

From Jim Denzien, Western Region Director

Shipmates,

It is with great sadness that we are forced to cancel the 2020 Western Region Roundup. We know that this is an anticipated event for many of our shipmates; unfortunately, we find ourselves in a situation this year where we are unable to provide a quality event.

Amid concerns over the Corona Virus (COVID-19) we are experiencing more and more cancellations; we have no way to predict how many more there would be if we continued.

So many of our shipmates are in the age group that is most susceptible to this virus.

It is the responsible thing to do given coronavirus fears.

On a personal level, I would not bring my wife to this event under the circumstances for medical reasons

and I am not going to leave her alone if I were to go to Laughlin. Catch 22.

We look forward to announcing the date for next year's Western Region Roundup and expect that the situation we find ourselves in will have run its course and we can resume some sense of normalcy.

This is an official email communication from the USSVI Perch Base and does not require a response.
