Subject: Recruitment for Open BOD Positions

Paul Miller and Carlton Clarke have stepped forward and have relieved the Membership and Events Coordinator respectively of their duties. An “ATTA BOY” to both. The BOD positions of Base Secretary and Base Chaplin are still open and must be filled soon. The preference would be for these two positions to be filled by Perch Base members. Nevertheless, there is no restriction that would prevent an associate member from volunteering. There is also an option were recruiting a new member or associate member with understanding that they could volunteer to fill the Base Secretary or Base Chaplin position is a viable strategy. To successfully manage the operation of Perch Base requires a dedicated BOD team that directs the activities of about 171 members, \$12 K budget and scheduling numerous events and activities besides our monthly meetings is vital. Perch Base is the most active USSVI chapter in the state of Arizona and it takes a committed body, like our BOD, to orchestrate that success. Do you want to participate in that success as a member of BOD or do you know someone who would? Contact the Base Commander, George Woods, (commander@perch-base.org or cell at 480-322-2127) to volunteer, nominate someone, or for more information.

This is an official email communication from the USSVI Perch Base and does not require a response.
